

PRIVACY POLICY

OF THE PTC (Private Traffic Channel)Service

Update date: 05.05.2026

1. GENERAL PROVISIONS

1.1. This Policy defines what data is processed when using the Service, for what purposes, and how it is protected.

1.2. Registration and use of the Service means that you fully agree with this Policy.

2. PROCESSED DATA

2.1. Email address (required) - for creating an account, receipts, restoring access, and important notifications.

2.2. Payment information-The Administration does not receive card and wallet details. All transactions are processed by third-party acquiring companies. The service only receives payment confirmation.

2.3. Error reporting — voluntary submission of depersonalized data to improve your work.

3. NO-LOGS POLICY

3.1. Thanks to the architecture with modern security, the administration does not record or store:

- History of visited sites and traffic content
- * DNS queries and connection metadata.
- The User's real IP address.
- * Geo-location.

3.2. This data does not get to the servers, which means that it cannot be transferred to third parties under any circumstances.

4. DATA PROTECTION AND TRANSMISSION

4.1. The following are applied: encryption during transmission and storage, limited access of personnel, regular updates.

4.2. Data is not sold. Transfer to third parties is only possible:

- * To payment partners — in the minimum amount required for making a payment.
- To state authorities-only upon a legally binding request made in accordance with the legislation of the country of registration of the Administration, and only in relation to the email address (if it is stored at the time of the request).

5. USER RIGHTS AND STORAGE

5.1. The User has the right to: change the E-mail address, delete the account, refuse optional mailings.

5.2. If you delete your account, your email address will be deleted within 30 days. Payment data is stored by payment systems according to their rules.

6. CROSS-BORDER TRANSFER

6.1. The servers may be located in different countries. The User agrees to cross-border transmission of E-mail for the purposes specified in section 2, while ensuring the proper level of protection.

7. CHANGES AND CONTACTS

7.1. The current version is available in the app. We will notify you of any significant changes by Email or in the app 14 days in advance.

7.2. Disputes are resolved in accordance with the User Agreement.
