

TERMS OF SERVICE (USER AGREEMENT)

PTC (Private Traffic Channel)Service

Update date: 05.05.2026

1. GENERAL PROVISIONS

1.1.PTC-service for personal data protection.

1.2.By using the Service, the User fully and unconditionally accepts this Agreement and the Privacy Policy.

1.3. If you do not agree with the terms, the User must immediately stop using the Service.

1.4.The Service is provided on an "as is"as isbasis without express or implied warranties.

2. SERVICE DESCRIPTION

2.1. PTC ensures the confidentiality of the Internet connection, especially in public and untrusted networks.

2.2. The main function of the Service is cybersecurity and data integrity protection.

2.3.The Administration does not control which resources the User directs trafficto.

2.4. The interface may contain ads and links to third-party resources.

3. PRIVACY (NO-LOGS)

3.1.The Administration does not collect or store:

- Session history and traffic content
- * DNS queries.
- * Real IP addresses.
- Connection metadata.

3.2.Only E-mail is used for registration. Payment data is processed by third-party acquiring companies and is not available to the Administration.

4. PAYMENT, SUBSCRIPTION, REFUNDS

4.1.Tariffs are available for 1/3/6 months. The exact price is displayed before the payment is confirmed.

4.2. The subscription is automatically renewed. You can disable auto-renewal no later than 24 hours before debiting.

4.3. A refund is only possible if a double charge is made due to the fault of the Service or if you are completely unable to use the paid period for reasons that the Administration is responsible for.

4.4. Funds for a partially used period will not be refunded, unless otherwise provided by law.

4.5. The Administration has the right to change prices by notifying us 14 days in advance by E-mail or in the app.

5. PROHIBITED ACTIONS

The user is not allowed to:

- Conduct network attacks (DDoS), distribute malware, and perform unauthorized access.
- * Send spam, phishing, or infringe copyright.
- * Distribute materials that contradict generally accepted norms of international law.
- Perform reverse engineering, hacking, or modification of the application.

6. LIMITATION OF LIABILITY

6.1. The Administration does not guarantee uninterrupted operation and is not responsible for failures of Internet service providers, failures of the User's equipment and other circumstances beyond its control.

6.2.The Service may contain links to third-party resources, for which the Administration is not responsible.

6.3.The User is solely responsible for the legality of their actions in their jurisdiction.

6.4.The Administration is released from liability for non-fulfillment of obligations due to force majeure, including actions of state bodies affecting the functioning of the Internet, and other uncontrolled circumstances.

6.5.The total liability of the Administration is limited to the cost of the last paid period (no more than 12 months), except in cases where such limitation is prohibited by mandatory provisions of the law.

7. ADMINISTRATION RIGHTS

The administration has the right to:

- Perform technical work with temporary access restrictions.
- Limit the connection speed for network balancing.
- * Block your account without a refund if you violate section 5.
- Unilaterally change the Agreement with the publication of a new version in the application or on the site.

8. FINAL PROVISIONS

8.1.The Agreement is valid from the moment of registration until the account is deleted.

8.2.The User can delete the account in the settings or by sending a request to the support service's email address.

8.3.Disputes are resolved through negotiations with a mandatory claim procedure (the response period is 15 business days).

8.4.Disputes are within the jurisdiction of the court at the location of the Administration, unless otherwise prescribed by the law of the consumer country.
